

# ***KAITOKE PISTOL CLUB NEWSLETTER***

**P.O. Box 40553 Upper Hutt**

**February 2008**

Due to overwhelming requests the **Kaitoke Pistol Club Inc Newsletter** has been resurrected. As those of you who have produced newsletters in the past will know, it is difficult to do so without input, so we ask Match Directors to submit match results for publication and for any of you who have items for sale or items you wish to purchase, send your requests in and we'll publish them for you.

Each issue will contain a duty roster, a range layout diagram, Application forms for LE2/1 (Pink Slip) and contact details for any issues you might have.

The webpage is close to be up and running and will contain the same information as well as a picture file. Please feel free to submit any items of interest to be posted on the site.

The first two issues of this newsletter will be posted out to the contact addresses we have, as well as by e-mail, to those who have supplied such information. It is hoped, for financial reasons, that e-mail will be the preferred means by which you receive it. There will be a return page for you to fill in and return to us to confirm your details are up to date.

## **Random Fire:**

- **Subject: Easy way to record Change Of Address** Just something for you all to know, a person moving house can perform their "change of address" notice for NZ Police online at the Police website: <http://www.police.govt.nz/service/firearms/#resources> They would still need to inform clubs etc, but this system apparently works well, with the firearms licensee's details being updated centrally and then the Arms Office for their new address advised, so a very reliable system.

## **Safety and Security**

It is in our best interests to continue to maintain the perfect record for range safety we jealously hold at the Kaitoke Pistol Club. Club members are reminded to follow the procedures laid down by the club for the safe handling and carriage of firearms on the range and the security of pistols when not in use. Safety Zones have now been designated for all shoots and a map detailing those areas and the conditions for their use can be found later in this publication

## **KAITOKE PISTOL CLUB** **SHOOT CALENDER & DUTY ROSTER 2008**

**Everybody please read this and note which dates you are expected to do something for your club mates.**

If you can't turn up on the assigned day, that's OK, but it is **YOUR** responsibility to organise a stand-in. No excuses
